

Explanations in this guide are intended to assist you to complete the application for on-licence or renewal of an on-licence form - numbers in the form relate to the explanatory notes in this guide.

Background

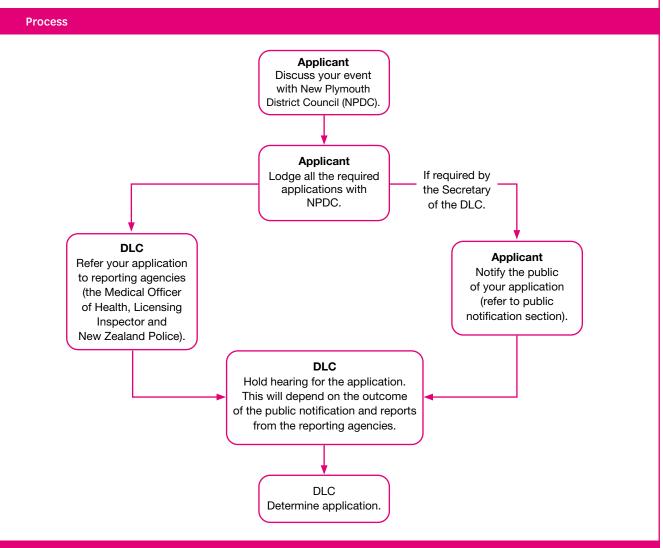

A licence under the Sale and Supply of Alcohol Act 2012 is required when you intend to sell or supply alcohol to the public. The Act aims to:

- Promote the safe and responsible sale, supply and consumption of alcohol.
- Minimise the harm caused by excessive or inappropriate consumption of alcohol.

You will need to submit your licence application to the New Plymouth District Licensing Committee (DLC) if your premises is in the New Plymouth district.

What is an on-licence?

An on-licence authorises the holder of the licence to sell or supply alcohol to the public for consumption on the premise, but the alcohol cannot be removed from the site.

Processing times

Depending on when you advertise your application, whether there are any submissions from the public and the time taken to receive reports from the agencies, the process can take up to 12 weeks. The DLC will notify you, the reporting agencies and the objectors of the decision. After the decision, all parties will have 10 working days to appeal. The issue of your licence will depend on whether there are objections to your application or the outcome of the appeal, if any.

Indications and guidelines issued by NPDC are provided with the intention of helping people to understand the legislation. They are however offered on a 'no liability' basis and in any particular case those concerned should consult their own legal adviser. The amount that you have to pay at the time of application is determined by the risk rating of your premise. This is based on the following criteria:

- The type of your premise.
- The latest trading time allowed for in the licence application.
- The number of holdings your premise has (renewal applications only).

Refer to the table below to get an indication of your fee:

Weighting calculation	
Type of premise	Weighting
 Class 1 restaurant, night club, tavern, adult premise. Class 1 restaurant: has a significant separate bar area, and operates a bar area at least one night a week, in the manner of a tavern. 	15
 Class 2 restaurant, hotel, function centre. Class 2 restaurant: has a significant separate bar area, and does not operate that bar area in the manner of a tavern at any time. 	10
Class 3 restaurant, other premise not specified. Class 3 restaurant: only serves alcohol to the table and does not have a separate bar area.	5
BYO restaurant, theatre, cinema, winery cellar door.	2

Note that the amounts indicated in the table below do not include the costs that you may incur to advertise your application or to get RMA and building certificates.

Guidance Notes

- 1. Application type
 - 1a. Indicate what type you are applying for.

New licence – you need to apply for a new licence if you are a first time operator of a premise and intend to sell alcohol within the premise. A change in business name will also require a new licence. A new licence is initially valid for one year and then renewable every three years.

Renewal – you need to apply for a renewal if you are a current on-licence holder. Application for renewal must be submitted before your licence expires.

Renewal with no changes – select this option if you are keeping your licensed hours and area the same.

Renewal with variation (hours) – select this option if you wish to change the hours that you are currently licensed for. If you are extending your hours you must apply for and show us a new RMA certificate.

Renewal with variation (re-definition of licensed area) – select this option if you wish to change the defined floor area of your licence. You may select one or both variation options. If you are extending your hours you must apply for and show us a new RMA certificate.

 Indicate whether or not a licence is already held for the premise or conveyance. If yes, state which type of licence is already held.

TO: THE APPLICANT

The Police are just one of the agencies tasked with promoting the principals of the Sale and Supply of Alcohol Act. It is well known that alcohol is a key aggravator in crime and in particular family violence, street disorder, antisocial behaviour and the road toll. Strategies have been put in place by the Police to reduce the numbers of such incidents and crimes occurring.

Police enquiries will be made to establish whether you are a fit and proper person to be granted the licence or certificate applied for, and whether you are considered capable of exercising proper control over the premises or the sale and supply of alcohol to patrons.

The Police may object to the granting of the licence or certificate if you have previous court convictions or if enquiries reveal that you have not operated the licence or certificate in such a way so as to contribute to the reduction of alcohol abuse in accordance with the objects of the Act. Previous convictions need not stop you getting an 'On' or 'Off' Licence or a Manager's Certificate, but they may be a factor in any decision made to object to the granting of your application.

Please complete the attached questionnaire to enable the Police to prepare a report to the District Licensing Committee in accordance with the provisions of the Act. Police Officers may visit your premises or check with you on the validity of answers given in the questionnaire.

If you have any queries please contact New Plymouth Police on 06-759 5500.
